Carr China, Grafton, Taylor County

Dear Dr. Flaherty:

The Sampling and Analysis Work Plan for the above referenced site dated August 27, 2020, and received by the Office of Environmental Remediation (OER) on August 27, 2020, has been approved. In accordance with the Voluntary Remediation Program Agreement, the OER is providing an itemized list of estimated in-house costs expected to be incurred under the Agreement. This cost is based on our initial site meeting with your LRS and the approved Sampling and Analysis Work Plan and is an estimate that is subject to change based on actual site conditions encountered during the site assessment and risk assessment phases of the project. Please review the enclosed cost estimate and contact me if you have any questions.

If you have any questions or wish to discuss any specific issues, please contact me by phone at 681-622-8392 or email at [Curtis.A.Phillips@wv.gov](mailto:Curtis.A.Phillips@wv.gov).
